Safety Day set Oct. 23; meal tickets on sale

A full day of activities is set for Wednesday, Oct. 23 for Marshall Safety Day. Activities will include astronaut visits, speaker, safety excellence awards and safety, health and an experimental fair. Meal tickets can be purchased through the administrative offices of each organization through Oct. 11. Meals are \$3 each and include a Chick-fil-a sandwich, chips, brownie, drink and a coupon for a free sandwich.

For new Travel Manager system, visit <https://ifmptm.ifmp.nasa.gov/prod>

Spot bid sale is 9 a.m.-2 p.m. Tuesday. For more information, see 'Inside Marshall'

Ionizing radiation workshop to be held Oct. 29

An ionizing radiation workshop will be held Oct. 29 from 8 a.m.-12 p.m. in Bldg 4200, room G13E. The workshop will focus on how ionizing radiation (IR) affects electronics and why it is important to consider IR effects early in the spacecraft design process. This workshop is for project office personnel, designers, system analysts, and anyone who desires information about ionizing radiation and its effects on spacecraft electronics. Government and contractor personnel may attend at no charge. For more information or to register, call Leigh Smith 544-1238.
